

Wakefield Court Beach

Wakefield Court Beach is exclusively positioned in secluded, peaceful grounds, overlooking our own golden sandy beach. Our six traditionally constructed holiday bungalows, command an unrivalled panoramic sea view, probably the finest in Norfolk.

Each of our holiday bungalows is fully double glazed with heating to all rooms. Each has a comfortably furnished and tastefully decorated lounge/diner, including *Freeview* digital T.V & DVD. There is a modern and fully equipped kitchen, complete with microwave. There are two double bedrooms, in the “Hickling”, some having bunk beds and one larger bedroom in the “Barton” with flatscreen TV. Each holiday bungalow has a modern bathroom with glass shower enclosure, basin and w.c. Large opening patio doors lead out to your own patio and garden furniture. Rise early to watch the sunrise over the sea. Your patio area & the lawn are ideal for sunbathing, a picnic or barbeque and provide a perfect vantage point to sit and relax. You can watch the numerous passing boats, the fisherman busy at sea, the occasional inquisitive seal or the serenity of the distant windfarm.

Within the grounds there is a laundry room provided, with washing, drying and ironing facilities. There is one reserved parking space for each accommodation. Personally maintained, to Visit Britain award standards. Wakefield Court Beach is an exclusive holiday destination, for those whom prefer a quieter more relaxing seaside holiday, with many of our guests having stayed with us previously!
